VIEW CAN SPONSOR A DISADVANTAGED AUSTRALIAN STUDENT

By sponsoring a *Learning for Life* student, you will be showing them that someone they have not met, cares about their future. Many of our students have told us how much this inspires and encourages them. Your sponsorship payments provide financial support for school essentials and access to one of our Family Partnerships Coordinators, who connects the students with out of school educational opportunities. You can help disadvantaged children get more out of their education for a cost of:

Level	
School (Kindergarten-YR 10)	\$696
Senior Secondary (Year 11 & 12)	\$984
Tertiary (shared)*	\$1,392

* If a VIEW Club wishes to continue supporting their student to Tertiary education, a shared sponsorship is available at \$1,392 per year. Please note that a Tertiary sponsorship is \$3,936, and the remaining \$2,544 per year will be picked up by corporate sponsor.

Where Your Money Goes

All of your sponsorship benefits your sponsored child, so you know your support is helping to change a disadvantaged child's life.
